matthewhiggs2015 2022 Rewind: The Year in Art. #36. 😊
June. The best NY gallery show of the year? Easy: Bob Smith 'Art Remains A Witness To Life' at Martos, curated by Bob Nickas. "Revelatory" doesn't do this justice. This was an art historical event that will continue to reverberate for decades to come. Kudos to all concerned. & When does Bob Nickas get his MacArthur? 🏆🏆 Bob Smith (1944-1990.) 😊
